Hey David* :)

Hope you have a great summer!
I'm glad I got to know you
better, cuz to tell you the truth,
I thought you were a total dick
at first! But I guess it's cuz you
wanted to win (in softball). I was
judging you before I got to know
you.

You are real sweet and super
cute (yes! I'm embarrassed!!) and I hope I see you soon!*
But I probably won't be going to Western
next year. I'm gonna be going to Loara!*
(BOOOO!!**) I want to stay at
Western!!! You're gonna have
to teach me how to hit the ball
like you do in softball! Well I
hope this is long enough!

Call me and maybe

School Days and Teenage Nights

Pondering thoughts, dreaming dreams,
Going to dances, devising schemes.
Planning parties, taking tests,
Always remember, never forget.

School days and teenage nights,
Getting cars and motorbikes
Watching TV, drive-in shows,
Where's the time gone?
No one knows.

Chasing boys and running wild;
Your mom still treats you like a child
Home by ten, asleep by eleven,
Up in the morning for school at seven.

Graduation comes at last;
We reminisce about the past.
Our high school days have been the best
Always remember, never forget!

YEARBOOK MAKES IT AGAIN!!

The yearbook was a big job this year. We learned to put up with everyone in the class through good times and bad. Our advisor helped us make it through all of our deadlines. Thanks to him and everyone who came in before school and stayed after on occasional nights for finishing our book. We are proud of our accomplishment. ENJOY!

FRESHMAN CHEER

The Western High School Pioneer Band and Colorguard have had one of the best years in recent memory. Besides hosting their own Field Show Tournament in the Fall, and Colorguard Tournament in the Spring, the Band and Colorguard compete in many events throughout the year. This year, the band received second place ratings at Westminster Field Tournament, the Artesia Parade, the Los Altos Field Tournament, and an outstanding First Place at Cal Poly Pomona Field Tournament. The rifle squad received a first place trophy at the Los Altos Field Tournament and a Sweepstakes award at Savanna Field Show. The tall flags scored first at the Silverado Day Parade.

MASCOT SHOWS HER SPIRIT

Our mascot Dori Butler started on homecoming early in the summer. It was one of the first events of the year. It was a great success. She cheers with Cheerleaders and Songleaders at all of our football games, wrestling matches, basketball games, and all major sports. She has enjoyed representing her school. The pep club which Dori is in charge of supported the football team by having secret pals. They went to all football games. She is a member of the A.S.B. Council as Commissioner of Pep.

Homecoming Coronation Performance

These early morning rehearsals wipe me out

Let's see, it went together last time.

The 1983-84 Choir season went exceptionally well. Seventy voices ornamented the "singing Christmas Tree" in December and seventy-six will be continuing second semester's activities. In addition to the Christmas season, we performed at Cypress Forest Lawn's Easter Sunrise Service, it was a genuinely exciting experience for all. Also in April, our second annual spring show went over tremendously well.

Participation in the annual graduation festivities are a nice way to conclude the school year.

MADRIGALS

The Madrigal singers are a group of 20 voices from the Choir. This was the groups first year. They held special before and after school rehearsals and put alot of time and dedication into making the group a success. They performed throughout the Southland.

FOREIGN LANGUAGE

Officers, L-R: Cassy Higbee, Leslie Murata, Tina Huber, Jeanette Phelps, Teresa Garcia, Mrs. Woodell — Advisor.

"Internationalism" is the word in Foreign Language Club. All the members are working toward the understanding of the different cultures that we see in our school, and more and more students are participation in the activities of this club. Students have become aware of the many foreign students on campus, and they have shown a keen interest in learning more about their languages and cultures. As well as learning languages, they learn about different foods, music, dances, and customs of different countries. One example of this was the big success of the International Week, which took place in May of 1983. From the proceeds of this event, three scholarships were given to some of the outstanding students at Western. This year, students sang Christmas carols in several languages, cooked all types of food, and again got involved in a candy sale to raise money for scholarships.

Sometimes knowing a foreign language means you must learn to eat and appreciate the dishes that are native to those countries. In Foreign Language we strive to maintain our level of appreciation and force ourselves to participate in these sharings.

HIKING CLUB

The hiking club was organized four years ago to introduce students to the pleasures of hiking and to the many trails available in the adjacent mountains. Membership is open to all students, the only requirement being to join the Explorer Scout Troop #1360. This is for insurance purposes.

Four day hikes are conducted each school year. A lunch, sweater, canteen and a sturdy pair of shoes are all that's needed. Officers for the 1983-84 year are Jon Lagda — President, Jeff Wilke — Vice President, Patty Smith — Secretary, and Lou Costanza — Treasurer.

DRAMA CLUB

GERMAN CLUB

The German Club was quite active this year. The purpose of this club is to expose members to various aspects of the German culture and to have a lot of fun.

They had a great time at the Oktoberfest celebration. In addition, they went to dinners and on trips which included their annual Winter Weekend Trip in the mountains.

WRESTLERETTES

These girls help the team by 'being there'. Without their dedication the wrestling program probably would not be as successful. THANKS GIRLS!!

SKI CLUB

The ski club was recently formed with the help of the Explorer Scout organization. Ski trips to the local mountains are conducted, and at least one trip to Utah is provided. Beginners to advanced skiers find this club a great way to go skiing, and at a reasonable price.

MATH CLUB

The Math Club is composed of approx. 60 members. We meet once a week to discuss and solve complicated math problems. The purpose of this is to help raise our SAT scores. We also work out complicated math puzzles which are designed to help our reasoning skills.

One of our biggest projects this year was the Computer Dating Service, which is sponsored by the Math Club every year. This was, as usual, a great success.

Another project was the purchase of a Franklin computer. We are now better able to achieve one of our biggest goals — to teach computer literacy to as many students as possible.

GIRLS LEAGUE

Girls League is a service organization whose purpose is to serve the school as well as the community. Our major activities include the Homecoming Mum Sale, the Winter Formal, and 2 Red Cross Blood Drives per year. Activities are funded by various sales and car washes.

There are 8 elected Girls League offices including: President, Vice President, Secretary, Treasurer, Fund raising chairman, Publicity chairman, Winter Formal chairman, & Service Projects chairman. The Girls League Board is composed of the girls who hold the above offices. The Girls League President is a member of the ASB cabinet. All girls are welcome to join Girls League. The only requirement for membership is participation.

STUDENT COUNCIL

The Student Cabinet of Western High School consists of sixteen students elected into office. Each officer has an individual responsibility that he or she conducts throughout the year. The Student Cabinet serves as the main director of activities and supervises all activities held throughout the school year.

NATIONAL HONOR SOCIETY

The Pioneer Chapter of the National Honor Society is one of the long-standing academic and service organizations on campus. Established nearly twenty years ago, N.H.S. is devoted to the principles of scholarship, character, leadership, and service to school and community. Annually, N.H.S. members are the receiptiants of many scholarships and awards. Membership in N.H.S. is most certainly an outstanding and rewarding achievement.

SPEECH TEAM

The speech team differs from a club in that it requires a continuing committment from all its members. The speech team is one of the easiest organizations to join. The only requirement is that our members try. Participation includes contests sponsored by members of the Orange County Speech League; invitational contests sponsored by local colleges and universities and attendence and participation in state and national contests. All are directed toward students becoming more organized and persuasive in their speaking.

MOCK TRIAL

Speech Team Officers L-R: Josh Iverson — Treasurer; Cathy Grant — Publicity; Kim Lavoie — Activities; Fred Fix — Team Cap.; Monica Marquez — Point Keeper

Mock Trial is a team made up of two sides — defense and prosecution. We are given a selected case and both witnesses and attorneys play a part. The witnesses must study their role and know everything there is to know about their character, because they will go through the same type of cross examination that would be found in a real court of law. The lawyers do much of the same work and research that a real attorney would do.

After weeks of preparation, the defense went to court against an opposing team's prosecution. The following week the prosecution went to court a opposing team's defense. Western won 4 consecutive trials before losing in the semi-finals to Marina High School. This is the farthest any Western Mock Trial Team has ever gotten since Western began participating in the Mock Trial program.

CLASS OF '84

" . . . 84 THERE IS NO MORE"

The senior cabinet is a group of senior students whose goal is to make their senior year the most enjoyable. They were busy throughout the year in ordering their senior T-shirts & buttons. They also sold painter caps and did other fundraisers. All this money goes toward "senior week" in which seniors get to show their spirit.

" . . . '85 DON'T TAKE NO JIVE"

CLASS OF '85

The Junior Class of "85" is a very active group. We are in charge of the Jr.-Sr. Prom, therefore we have many fundraisers. We started raising money as early as last summer and haven't stopped. We'd like to put on the best Prom yet for the class of "84", and go into our senior year with a positive balance in our account. The class of "85" has a lot of very active people in it.

Junior class adviser — Mr. Juarez. Class Officers are: Denise Lodding — President, Cherie Brenes — Vice President, Pam Wells — Secretary, and David Sanchez — Treasurer.

CLASS OF '86

" . . . '86 IS THE PERFECT MIX."

The sophomore class cabinet has been involved in numerous fundraisers this year. They are very active in school and have a lot of school spirit. The money that has been earned this year will be going toward the Jr.-Sr. Prom which the class of "86" will put on next year. The officers of the sophomore class are: President: Valerie Wells, Vice President: Linda Hawley, Secretary: Dina Parkson, Treasurer: Diane Parkson. The sophomore advisor is Mrs. Terkelson.

CLASS OF '87

" . . . '87 IS A GIFT FROM HEAVEN"

This year a large group of individuals entered Western High School with one thing in common — their graduation date in 1987. With class elections in October came the onset of the Freshman Class Cabinet consisting of Gail Bargayo as President, Tom Aquino as Vice President, Monica Aquino as Secretary, and Christine McKemy as Treasurer. The Class Cabinet has two purposes. It must first organize the class members into a working group. This involves learning the rules and responsibilities of candy sales, the proceeds of which go toward sponsoring the Prom in their junior year. Perhaps an even more important purpose is establishing school pride so that the Class of "87" becomes identifiable as a positive, active force on campus. This years Cabinet has done an admirable job on both counts.

CALIFORNIA SCHOLASTIC FEDERATION

The Pioneer Chapter of the California Scholarship Federation is 6185. Although membership in C.S.F. is based upon the accumalation of academic grade points, C.S.F. provides Pioneer students with both school and community services. Among its various activities, C.S.F. annually takes Hope School students Christmas shopping and has an end-of-the-year picnic. Pride and dedication to excellence are characteristics of C.S.F. and are most certainly reflected in its membership.

KOREAN CLUB

The main purpose of the Korean Club is to promote unity among the Korean students. The Korean Club has had many activities. In the past, Korean Club has been involved with the International Day: Parade, Tae Kwan do Demonstration, selling Korean Bar-B-Q Ribs and many other activities.

This school year the Club has gone on many trips. Some of the trips include going to Magic Mountain, and camping at Big Bear. The Korean Club also had many fund raising programs. Such as: candy sales, and car wash.

The advisors of the Korean Club is Mrs. Ferrin and Mrs. Christensen. Members of the Club wish to thank their advisors.

VARSITY CLUB

The Varsity Club is made of athlete's who have lettered in a varsity sport. This year there are 66 members. The Club officers are: Brian Miller as President, Brian Taylor as Vice President, Kim Hartter as Treasurer, and Michelle Maroney as Secretary.

The athlete's who join Varsity Club volunteer their time working at various fund raisers to earn money that support the athletic programs at Western High School. The Club has taken on the responsibility of paying for all of the championship banners that are now hanging in the Boy's and Girl's Gyms.

The Club also participates in social events such as going to Laker basketball games, and Club Bar-B-Q's.

The 1983 Varsity football season had both high and low points. Early in the schedule we experienced inconsitent efforts which resulted in several frustrations. After an upset loss to Savanna our team rallied together and played some excellent football. Defeating Anaheim and retaining "The Bell" was a high part of the season, we also played the top two teams in our league with strong efforts. A good performance earned a 17-17 tie with Brea and we barely lost 20-21 to league champs Valencia. Western's varsity ended the year as a fine football team. Their never-say-die spirit is certainly one to be proud of now and in future years.

VARSITY BASKETBALL

The 1983-84 team is one of many different themes. The team as a whole had to handle many different changes and set-backs.

The changes began when the previous head coach retired and Coach Hoffman was brought in. Two players with varsity potential moved away and Greg Haskell was put on the sideline with a leg operation. As the season began, star guard Charlie Evans hurt his back and could only play with about half his effectiveness. As the season turned into the second week, star forward Paul Horn was hit with a case of severe bronchitis. Still the Pioneer hoopsters hung tough playing everyone down to the wire. As the year wore on, forward David Shimogawa broke his wrist in a slam dunk attempt and the cloud seemed to hover ever closer over the team.

The '83-'84 squad highlighted the season with a consolation championship in the Katella Klassic. For the seven seniors it was a season of what might have been. It was a season where seven boys from West Anaheim faced adversity and became better young men.

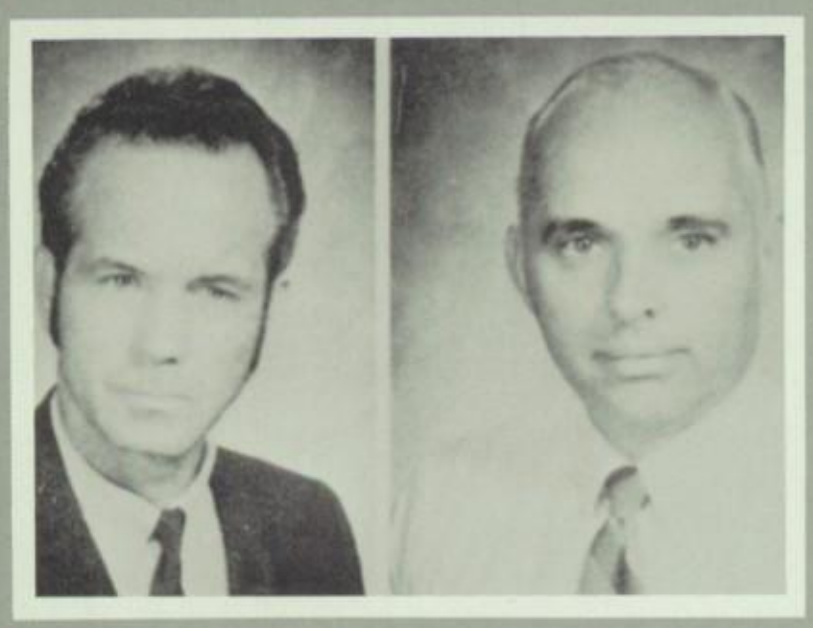
WHERE WERE YOU

IN 1966-67



FACULTY

IT IS WITH REAL PRIDE THAT I AM WRITING THIS MESSAGE FOR OUR STUDENT BODY.

I HAVE ALWAYS HAD TREMENDOUS PRIDE IN OUR SCHOOL, BUT THIS YEAR IT IS AT ITS HEIGHT, PARTIALLY BECAUSE OF WHAT YOU HAVE ACHIEVED, AND PARTIALLY BECAUSE WE HAVE REACHED A MILESTONE - QUARTER OF A CENTURY OF GRADUATES FROM WESTERN HIGH SCHOOL.

THE FIRST GRADUATING CLASS IN 1960 HAD AS ITS MOTTO, "FROM CAMPUS TO THE WORLD". SINCE THEN, EACH GRADUATING CLASS HAS ADDED ITS MOTTO TO OUR HALL OF FAME AS WELL AS ITS LAURELS AND REPUTATION TO OUR SCHOOL'S HISTORY.

WE ARE VERY APPRECIATIVE AND PROUD OF THE MANY HONORS BESTOWED ON OUR SCHOOL OVER THE YEARS, BUT WE ARE MOST PROUD OF THE IMPROVEMENT OF YOURSELF AS A PERSON DURING YOUR YEARS AT WESTERN. EDUCATION IS IMPORTANT ONLY IF IT SERVES TO MAKE YOU MORE HUMANE IN WORKING WITH PEOPLE.

MAY YOUR MEMORIES OF WESTERN HIGH BE PLEASANT ONES.

"WITH PIONEER SPIRIT - ANYTHING CAN BE ACCOMPLISHED"

The Day After
is a movie about people.
And what happens to them
before, during and after a nuclear attack.

It shows what it will be like
if it ever happens,
and you are there.

It is...beyond imagining.

WORLD

Over 200,000 Germans protested the deployment of American nuclear weapons in their homeland. They didn't want to be the first casualties in a nuclear war. Meantime the Phillipines opposition party leader, Benigio S. Aquino was shot in the head at Manila Airport. One million mourners attended his funeral. 'The Movie' — "The Day After" prompted controversy as it depicted a nuclear attack on Lawrence, Kansas. In Lebanon the U.S. and French forses were victims of a suicide raid. Over 200 Americans died. America was also involved in Grenada, Nicaragua, and other South American republics. Sally Ride became the first lady to enter space — ERA to the max. Korean Airline flight 007 was victim of Russian arogance as they were shot down when it was claimed that they were on a spy mission over Russian territory. Prince William will soon have a brother or sister to wait with until his father becomes the King of England. Acupuncture became the 'in' way to ease tension, eliminate exhaustion, and relax your 'chi'. Margaret Thatcher runs the British government with rioting in Ireland, war in the Falklands, and a floundering economy but still finds time to be a lady. And, A.I.D.S. became the fright word of the '80s. Originating in Haiti it spread over the U.S. and the world. Blood donations became increasingly more difficult to acquire as none wanted to aquire a disease that most surely brings death to its victims. So much happened, so little time to tell it all.

QUOTES:

"Doctor, Doctor, laureate, I will always remain Lech Walesa." — Lech Walesa on receiving Nobel Peace Prize.

"I originate the idea and then, like raising a child, I send it out as a gift to the world." — artist Christo

"The bloom is off the rose . . . Too many machines are chasing too few quarters." President of Crown Vending Machines.

"They dominated the planet for 135 million years. I doubt if we'll be around as long as the dinosaurs." — Edwin Colbert

"Our bank one last living teller and I still don't know how to work the machines." — Frustrated bank customer.

NATIONAL

The Couch Potatoes came into focus. They are devoted to excessive, slothful, and guilt free TV viewing. In Cleveland, Frank Spisak, Jr. was sentenced to death for the death of two blacks. The neo-Nazi showed no remorse and received a just sentence. The first black Miss America, Vanessa Williams, reigns with great poise, polish, and joy. Pushing, shoving, arguing, and physical violence came with the new 'HOT' Xmas gift — 'CABBAGE PATCH KIDS'. Stores sold out and people lined up in parking lots, flew to foreign countries, all to obtain one of these 'ugly, little kids'. Aerobics, jazzercize, physical well being all became popular and America exercised as never before. We lost famous Americans — Karen Carpenter, Paul "Bear" Bryant, Buster "Flash Gordon" Crabbe, Jessica Savitch, and Natalie Wood to mention a few. The President was caught 'OFF THE RECORD" on "something I've always wanted to do". Meanwhile Interior Sec. James Watt resigned after his comment about "a black, a woman, two Jews, and a cripple." Some parents resorted to national ads to try to get their stolen children returned. This practice became a national cancer. And finally MADD (Mothers Against Drunk Driving) have banned together in a national effort to protect their children. Their efforts are working as "... deaths have gone down from the new stiffer laws, no doubt about it." We live in a land of the free and we need to protect our rights or we will lose them.

SPORTS

1983 and '84 was a year of many difficult activities in the world of sports. There was "TAR WARS" with George Brett and his home run that was ruled illegal because there was too much tar on the bat handle. Jimmy Connors, tennises bad boy, had a great comeback year. The Philadelphia 76ers were led to the world championship by hard charging Moses Malone over the L.A. Lakers. Stock car racing announced that it was a sport with over 15 millionaires as owners and three millionaires as drivers. The Olympics were big in 1984. Julianne McNamara practices for the gymnastics events at Los Angeles. Edwin Moses was named athlete of the year and has a string of victories dating back to 1977 in the 400 meter hurdles. Billy Johnson 'smoked' em off the hill' to win Olympic gold in the downhill — the first win ever for the US in the Olympic downhill. The USFL struggles into its second season — maybe spring football will make it maybe not. Phil Mahre gets gold for US in slalom the same day his wife gave birth to their new son. The Americas Cup went to Australia and the boat with the winged keel. The first US loss in over a hundred years. Billy Martin was fired AGAIN from the NY Yankee job. Marvelous Marvin Hagler celebrated still another victory. None in their right mind wants to fight him. Baltimore was world champs in baseball, LA Raiders in football, and Carl Lewis was the Sullivan Award winner for holding three world records in track and field. It was a very busy year in sports.

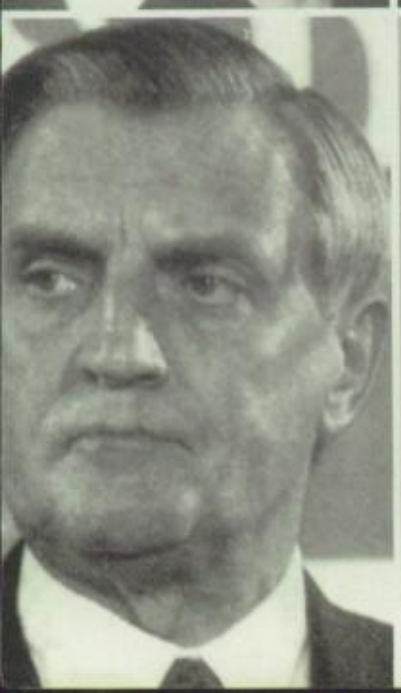
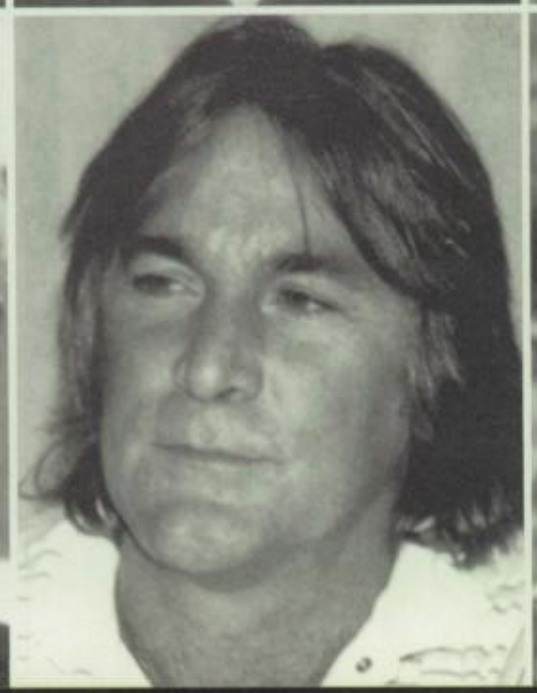
PEOPLE

This past year our lives have been affected by many people. Whether they be in politics, science, sports, or entertainment, they have somehow touched our lives. This being an election year, there have been many vying for that one office. Of the Democrats, former vice-President Walter Mondale, Senator Gary Hart, former astronaut John Glenn, and Rev. Jesse Jackson. Meanwhile President Ronald Reagan has kept the country moving. In the Soviet Union, with the passing of Yuri Andropov, Konstantin Chernenko became the Supreme Soviet. We sent our youngest ambassador, eleven year-old Samantha Smith out to greet the world. We sent up the first American woman. Sally Ride and the first black, Guion Bluford in the Space Shuttle. America had its first black Miss America, Vanessa Williams. We found what a gold medal in the Winter Olympics can mean from skier Bill Johnson. Michael Jackson was the name in entertainment because of his album "Thriller." Barbara Streisand became the first woman to produce, direct, and star in the movie "Yentl." From England came the group Duran Duran causing young girls to go wild. And there was Boy George who bought us an interesting look. This past year we have also lost some personalities. Singer Karen Carpenter, newswoman Jessica Savitch, Beach Boy Dennis Wilson, newsman Frank Reynolds, Michael Conrad of "Hill Street Blues," playwright Tennessee Williams, and many others.





ENTERTAINMENT

1984 was another good year for movies. This year's nominated movies for Academy Awards are, "The Dresser" with Albert Finney and Tom Courtney, "Educating Rita" starring a new British actress Julie Walters, who gave Micheal Caine a few surprises. "The Right Stuff" really had the right stuff. "Terms of Endearment" was one of the best with Shirley McClaine and Debra Winger, and "The Big Chill" was five adults reminiscing about a lost friend. Other movies of this year were just as good, "Christine" another of Stephen King's thrillers, "Class" where the roomate gets a few surprises, "Mr. Mon" where its daddys turn to be mom, "Silkwood" where the little guy turns out to be the hero. "Staying Alive" John Travolta shows off his stuff again. The movie "Flashdance" that started the break dancing craze. Tom Cruise and that old time rock in roll in "Riskey Business," Al Pacino as a gangster in "Scarface," and finally the third of the Star Wars series "Return of the Jedi."

MUSIC

1984 was the twentieth anniversary fo the British invasion by the Beatles, and in 1984 the British invasion is at its highest peak in years. A lot has to do with the phenomenal success of **Duran Duran.** Five guys: Simon, John, Nick Roger, and Andy came out of nowhere to become the new, "Fab Five". **Billy Idol,** the punk prince, has gained a large following this year due to his hit, "Dancin' with myself", and the album, "Rebel Yell". **David Bowie** is enjoying a renaissance with "Let's Dance", and his "Serious Moonlight" tour. **The Police** hit number 1 with, "Synchronicity", and their tour sold out from coast to coast. **Culture Club** led by Boy George attracted many fans and won the Grammy for Best new group. **Anne Lennox** of The Eurythmics, had the hit "Sweet Dreams . . ." and influenced many new hair styles. The ant-less **Adam** continued his solo success and showed everyone how to "Strip" for stardom. America, too had its stars. **Diana Ross** held a fantastic free concert in Central Park, and **Pat Benatar's** "Love is a Battlefield" earned her the Best Female Rock Grammy. **Stevie Nicks** had "The Wild Heart," with the bewitching hits "Stand Back" and "If Anyone Falls." **Lionel Ritchie** had the pop hit, "All Night Long". But the story of the year was **Michael Jackson** his record breaking album, "THRILLER", and the pioneer video, propelled him to super stardom. People pilled awards on him and soon the public was dancing like Michael, dressing like Michael, but most of all loving Michael. If there is a national hero of 1984, Michael certainly was it.

LOOK OUT — we'll be back next year.

HANDEL STADIUM DEDICATED

Handel Stadium was dedicated to Leonard R. Handel, No man did more to promote athletics or make the dream of building a stadium here come true. His dedication to the advancement of sports in the Anaheim area always will be treasured. To Len, thanks from the students of Western.

PIONEERS WELL REPRESENTED IN KIWANIS BOWL

The Kiwamis Bowl is based on intellectual competition. It tests quick recall of a wide variety of facts and general knowledge. This year Western High School hosted Division III of the Orange County competition. Coached by Mr. Jim Tozzie the 1983-84 team consisted of senior Josh Iversen, juniors Sharon Cadabona, Alison Miyamoto, Scott Conrad, Andrew Chatzis, Robin Mullins, Adrian Owens, Pam Wells, and sophomores Horacio Tovar and Tim Spangler. Job well done.

WASHINGTON D.C. — CLOSE UP!!

For the week of February 19-25 the four students form Western High, Raequel Sapien, Fred Fix, Suzanne Monteroso, and Tim Spangler, participated in the Close-Up Foundation in Washington, D.C. Here they met senators, representatives, administration officials, lobbyists, and other newsmakers who talked about what they do and where they stand on national issues. This opportunity proved a great educational experience. These students had to be invited to participate. We salute you for a job well done.

WRESTLERS DO IT AGAIN!

The Varsity team repeated as CIF CHAMPIONS. Westerns team performed extremely well in the finals and the points earned were enough for the team to claim the CIF title. We congratulate you and hope you can do it again next year.

CIF-2A CHAMPIONS

JUNIOR MISS

BLOOD DRIVE — BIG SUCCESS

This years blood drive proved to be a great success. Many students participated in this worthwhile activity and Western donated over 100 pints of blood to those who are and were in great need. Those who donated had a feeling of accomplishment and satisfaction that comes from helping ones fellow man. Thanks again.

Dear Readers,

Thank you for taking the time to read this book. We imposed a great deal of time and effort into making this book satisfactory for you. The staff and I did our best to get everyone in, and names spelled correctly. We are terribly sorry if we have spelled your name incorrectly. We sincerely hope that you enjoy this book.

I would like to add a special thanks to Tammy Barry for typing all of the senior credits and to Joe Ozuna for taking his time and effort to draw the artwork throughout the book. Thanks to the teachers who have let the staff and I out of their classes so that we could come in and work on the yearbook so that we could meet our deadlines, and to the coaches for their help and patience. Mr. Lloyd deserves a special thanks for helping us throughout the entire book with the problems that we faced. I would also like to thank John Dourson (photographer), Michelle Hazelton, Cindy Harmann, Naomi Kishimoto, John McGoldrick (photographer), Terri Padilla, Luis Perez, Stacy Phillips, Kelli Piper, Mike Ralston, Jana Sanders, Debé Stasiak, Cindy Young, and everyone that got out of the class, for putting up with my yelling, screaming, and fighting with one another, and also for coming in before school, at lunch, and after school. We couldn't have done it without all of you. Thank you Gary and Tina for being there to listen and to help me.

CONGRATULATIONS CLASS OF 1984 WE FINALLY MADE IT!

Faithful to our Alma Mater,
Let us lift our banners high,
May she never lose her courage,
May her spirit never die.
We'll remember Dear Old Western
And be firm in loyalty,
And we will always stand together
To make our High School history.
